

CLEENOL GROUP LTD

PRODUCT USE GUIDE FOR ENVIROLOGICAL BATH & WASHROOM CLEANER

Product Description

Formulated for the frequent cleaning of baths and washrooms. An effective cleaner and descaler for light to medium soiling. Ideal for cleaning and descaling taps, baths, showers, ceramics, plastic and porcelain surfaces. Suitable for all non ferrous metals. After cleaning, a fresh citrus fragrance remains, leaving rooms deodorised and clean. The product is based on citric acid which is derived from renewable resource plants. It is biodegradable, contains no phosphates and has minimal impact upon the environment. Proven to be effective against MRSA. The product has not been tested on animals. The bottle contains at least 50% recycled materials, the trigger and label are all plastic for greater recyclability.

Directions for Use

- For filling 500ml flasks, use the 5 litre dispenser.
- Caution – do not leave for long periods on chrome or gold plated fittings.
- Do not use on marble surfaces.
- Spray liberally onto surfaces, leave 2-3 minutes. Rinse clean.

Shelf Life

- It is recommended that this product is used within 12 months of purchase in the UK climate and within 6 months in warmer climates. Do not allow to freeze.

Environmental Hazards

- Do not allow large quantities of neat liquid to enter surface waterways.
